## Trustees' Report and financial statement for year ending 31<sup>st</sup> December 2021

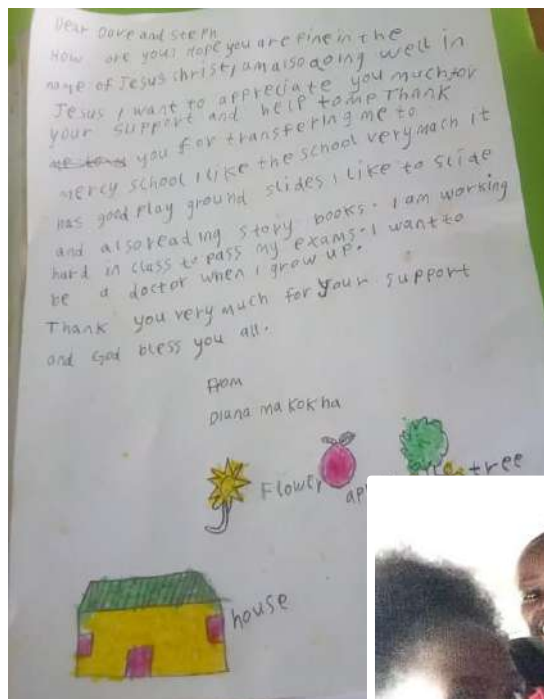

The trustees' have adopted the provisions of the charity SORP 2015 (FRS102)

### A summary of our main activities undertaken showing the achievements, to reach our objectives for the public benefit in 2 rural villages, Western Kenya.

1. Providing transport and education for over 23 of our orphans at Mercy Christian Academy
2. Providing primary & secondary education, uniforms, equipment & food to 10 orphans in Chemwa village.
3. Providing primary & secondary education, uniforms, equipment & food to 7 orphans in Khaoya village.
4. Providing vocational education at West Special School for one of our disabled orphans.
5. Delivering food parcels to widows in the 2 villages and shipping goods from the UK.
6. Facilitating the transport for John for his therapeutic heat treatment in Bungoma Hospital.
7. Fitting electricity into John's house.
8. Facilitated setting up a new locally registered Community Based Organisation with full & transparent accountability called Love in Action. This new local organization is run by Sammy and Brian with some help and support.

#### 1. Mercy Christian Academy

In January 2021 our orphans were not welcome at the amazing Free 2 Be Academy that we built from 2013-2018. Suddenly we had to find a school to educate them. Mercy Christian Academy a few miles away said they would educate the 20+ children. They have been a great blessing to us and to the children. We have been sending money to Mercy Ministries USA every month throughout 2021 to pay for the children's transport to school, to educate and feed them. They are thriving as they learn and having lots of fun too. Some of the children who needed extra medical care or who had exceptionally bad circumstances out of school have been allowed to live in Mercy Children's home.

**2. Providing primary & secondary education, uniforms, equipment & food to 10 orphans in Chemwa village.**

We have 10 children in Chemwa village who are sponsored, these children are orphaned or from severely disadvantaged families. We have discovered over many years that God’s initial commission to “Go and give them an hand up and don’t give them hand-outs” was and still does contain a wealth of wisdom. Education is the only way out of a poverty mindset and poverty itself. This is why we take education so seriously.

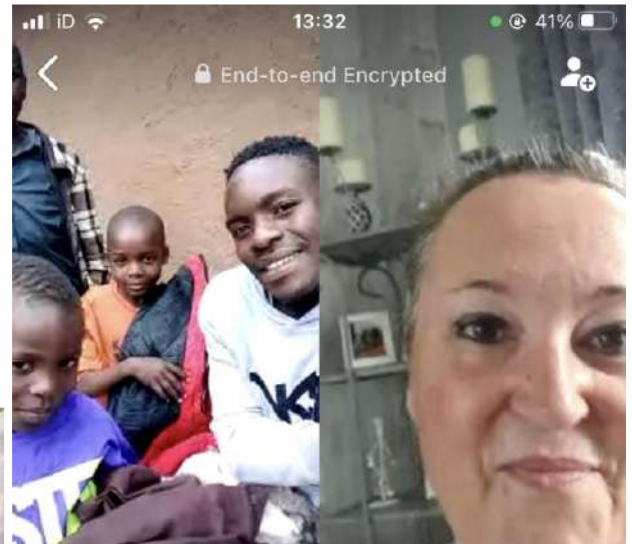

We actively involve the children in paying their school fees, so that they learn that education costs, this teaches them the value of money. They are so proud when they go to board in secondary school.

Sammy

Brian

3. Providing primary & secondary education, uniforms, equipment & food to 7 orphans in Khaoya village.

Brian has done a great job this year of introducing the children to their sponsors on video calls sending photos of the children paying their school fees. When they have needs he loves taking them shopping for new shoes, uniforms and school equipment.

4. Providing vocational education and equipment  
at West Special School for Marto

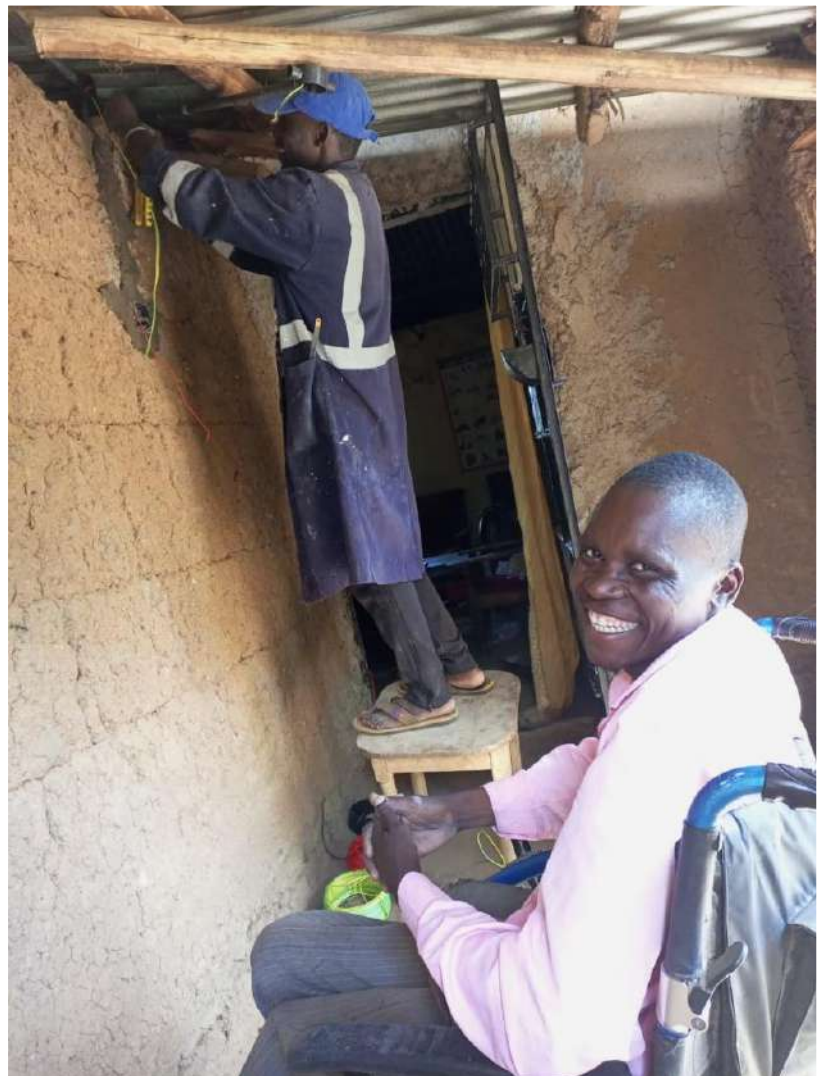

5. Delivering food and provisions to widows and shipping goods from the UK

**6. Facilitating the transport for John having therapeutic heat treatment in Bungoma Hospital and 7. installing electricity in his home.**

John was paralysed in 2013 when he was knocked from his bicycle taxi and left for dead. This year we discovered a heat therapy at the hospital. We have been transporting him daily to hospital in the local town. After 3 months John was able to stand with support, nothing short of a miracle. We brought this to the attention of our faithful sponsors and one came forward to put electricity in John's home. Early in 2022 the same sponsor will buy the heat therapy mat for John to use at home and another donor has committed to connect John's home to the mains power supply in the village. John, his wife and children are overjoyed.

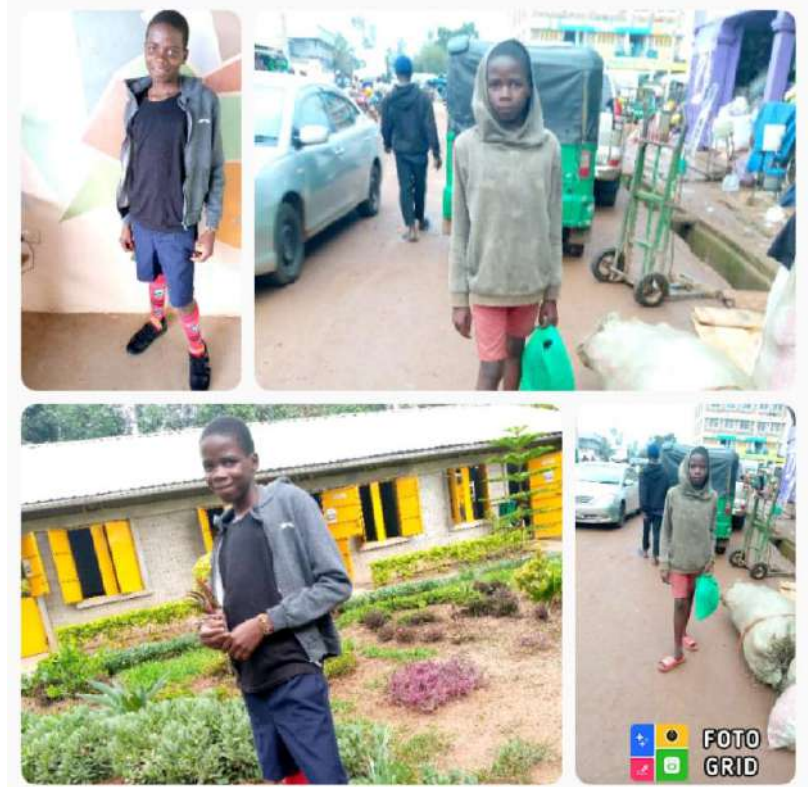

## One Transformed Life

Introducing Samuel, a total orphan living on the street since his grandma died last year. Brian found him in the local town and took him to Mercy school. We found him a sponsor, Mercy school accepted him into their children's home and his life is transformed. His future, his smile and hope have all been restored because of faithful sponsors who support Free 2 Be Special.

If you are one of our sponsors hopefully this report shows you that you are making a massive difference in the lives of these precious children and other vulnerable ones in the areas we work in Kenya.

Thank you so much.

### **Financial Review**

The charity is in a strong financial position to meet the objectives in the coming year. It is now gathering recognition and the number of sponsors is increasing accordingly. All funding is received in advance of the work it carries out. Since Covid has prevented our travel to the area during 2020 and 2021 the vast majority of our funds are transferred to the area regularly and administered by 2 trusted individuals locally to fulfil the objects of the charity. There are no funds materially in deficit.

### **Reserves Policy**

We hold a reserve fund of £5,000. These reserves are held in case of a sudden decline in income and ensure that commitments to providing services and contractual commitments can be made with some confidence.

### **Fundraising at Free 2 Be Special**

The main proportion of our funds come from sponsorship of children, youth, families. More funds are raised by locally held fundraisers and speaking engagements. Applications for sponsorship of individuals needs also bring in funds, volunteers who are inspired to help are encouraged to use their gifts and talents to enable Free 2 Be Special to carry out our charitable purposes.

**Fundraising** is always great fun with Maureen our main volunteer fundraiser; she enjoys telling everyone about the children she sponsors and all about her trips to Kenya when we have special fundraising days.

## What's in Store for 2022?

1. In 2022 we are looking forward to bringing electricity through the village to connect John to the mains. Also buying him the heat therapy mat that he can use in his home. We will be smartening the inside of his home after the electricity was fitted too.
2. We will continue to support the 40+ vulnerable and disadvantaged children through their education.

3. The Makokha family is in danger of their mud home collapsing, 4 of our children live in this house with their mama. We are looking for sponsors who may find it in their hearts to help us build them a new house with an indoor shower and toilet.

4. Our brickmaker "Bricky" needs to earn it's keep we will be asking sponsors to fund making interlocking bricks that we can (a) Sell enabling self sustainability (b) use to build homes for the vulnerable. Locals are skeptical of the new bricks so a willingness to be open to new ideas is needed as

we educate them.

5. From January 2022 we are also supporting LEAF CBO another community organisation assisting the vulnerable.
6. We have several children who have been waiting for a sponsor for a long time we hope to match them up with someone who will take delight in providing their school fees, uniform and educational needs (only £20 a month) to see a life totally transformed.

7. A new Free 2 Be School has sprung up 2 hours north of Bungoma, we are following their progress and commitment closely to see if this is something we may be able to support in the future.

8. During December 2021 Sammy and Brian have been setting up a new CBO called Love in Action. Free 2 Be Special is now working through this ministry in Kenya with Sammy and Brian in charge. They have struggled with transport moving around from village to village, paying school

fees and visiting the orphans and widows, we hope to be able to buy them both a second hand motorbike early in the New Year, this will make their jobs much easier and less time consuming. Brian was sponsored through his secondary education by Free 2 Be from 2015, followed by driving lessons and a project management course. Sammy was trained in solar, electrics, painting and guiding and counselling. It is a blessing to see them ministering to those who are following behind them. They are eager to go into schools to inspire the children to keep themselves pure and to live for God. We hope to be able to improve the living conditions for Brian, Sammy and his family too.

FREE 2 BE SPECIAL

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
FREE 2 BE SPECIAL

This Report is based on the accounts of the charity for the year ended 31st December 2021.

**Respective responsibilities of trustees and examiner:**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

**It is my responsibility to:**

Examine the accounts (under section 43 (3)(a) of the 1993 Act)

To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43 (7)(b) of the 1993 Act); and

To State whether particular matters have come to my attention.

**Basis of the independent examiners report:**

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with these records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiners statement:**

In connection with my examination, no matter has come to my attention:

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 41 of the 1993 Act; and  
  
To prepare accounts which accord with accounting records and comply with the accounting requirements of the 1993 Act.  
  
Have been met; or
- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
